General:

Prices and specifications are subject to change without notice. Vendor has the right to substitute materials of equal or better value. A wide variety of upgrades and options are available. E. & O. E., December 2022. The Purchaser shall accept minor modifications which the Developer or Municipality may require including walkouts, narrowed driveway entrances, decks, side porches or reverse layouts (mirror image) sittings. Ceiling heights may vary from marketing material due to mechanical, electrical, plumbing or structural requirements. Some areas may be subject to the use of bulkheads, box outs, archways or beams. All plans and specifications are subject to minor modification from time to time, at the sole discretion of the Vendor and without prior notice. All items of modification shall be of equal or better quality, and in accordance with Quebec New Home Warranty Plan Act and its' regulations. The Purchaser acknowledges and agrees that variations in color and shade uniformity may occur and that colors, patterns, and availability of samples in the Vendor's Centre may vary from those displayed and available at time of color selection. Where the Purchaser selection is permitted for items of finish; cabinets, tiles, flooring or paint colors, such selections shall be made from the Vendor's standard samples. The Purchaser acknowledges and agrees they are not relying upon any representation or warranty whatsoever arising out of any conversation with the sales representatives of the Vendor, at any time, other than as expressed in writing in the Agreement of Purchase and Sale and this Schedule "A". Further the Purchaser acknowledges and agrees that on site visits are not permitted by the Builder's Health and Safety Policy and Program, as such the Purchaser shall not at any time enter the property without authorization from the Builder. The Purchaser further acknowledges that this clause has specifically been drawn to the Purchasers' attention prior to execution of this page and this Agreement of Purchase and Sale.
